Commissioner of Patents and Trademarks

See the attachment and note the time period for response set in the attachment.

Response to Amendment

The replies filed on 8 August 2002 and 6 September 2002 are not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants attempt to rely on the replies filed in the parent application on 8 March 2000 and 25 July 2000 to show the patentability of the instant claims over the art applied in the first Office action on the merits (response pp. 7-8). However, there is no response dated 25 July 2000 and the claims at the time of the 8 March 2000 response are not the same as those currently presented. It is not possible to reply on a response that addresses claims with different limitations. See MPEP 714.04 and 37 CFR 1.111.

Specifically, applicants are referred to paragraph (b) of 37 CFR 1.111, which states in part:

The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
